

Math 21- Linear Algebra

Summer 2014-Session 1

Instructor: Rob Laber
Email: rlaber@ucsc.edu
Office Hours: Monday and Wednesday 12-2 pm
Office: TBA

TA: TBA
TA Email: TBA

Text: Linear Algebra with Applications, Otto Bretscher, 4th ed. (Not required)

Lectures: MWF 9:00 am-11:30 am in Social Sciences II, room 075

Sections: TBA

Grading: Your course grade will consist of Final 50%, Homework 10%, and Weekly Quizzes 10% each.

Homework: There will be weekly homework assignments including problems from the textbook and other sources. Homework assignments are available on the course webpage <https://sites.google.com/a/ucsc.edu/labermath21/> Homework is due Friday at the beginning of lecture. Late homework will not be accepted.

Quizzes: There will be a quiz every Friday in lecture. These quizzes will cover the previous week's material, and they constitute a significant portion of your course grade.

Final: Friday, July 25 in lecture

Remarks:

-Summer session courses move quickly. It is essential to keep up with homework and lectures. Remember that you have a quiz every week!

-If you qualify for classroom accommodations, please contact me and the DRC (459-2089) as soon as possible.

-Sections are optional, but highly recommended. You can treat sections as homework sessions where you can work with classmates and ask questions to the TA. Sections will be your primary source of help with the course material.

-One can find many online resources for this subject. For example, a quick YouTube search usually yields several different online lectures on almost any topic from this class.
