Creating a linear plot in Excel with a trendline (best fit line):

Makeups must be approved by the instructor in advance. Approved reasons for absences: events/trips; or, immediate family funeral. A makeup should be completed no later than two weeks. If you do not do the makeup by this time without proper justification, you may fail the exam. If your excuse is not approved, your work may be subject to point penalties.

All CHEM 1N materials are protected by Copyright Law and are intended solely for use by the instructor. These materials may not be shared, distributed or posted at websites without permission. In addition, UC Policy prohibits the posting of lecture notes, documents, or any other materials without permission of the instructor. Violation of these restrictions may result in disciplinary action.

Please see UC Policy at [http://its.ucsc.edu/security/copyright.html](http://its.ucsc.edu/security/copyright.html).

There are no makeups after the last lab meeting. You must make up any missed work before the end of the term.
Academic integrity is of the utmost importance. Please ask for help if you are unsure of the proper methods of completing assignments. Suspected cases of cheating will be dealt with through university channels. A failing grade in the class may be assigned.
