3. No late homework assignment (zero mark for that assignment).

4. Graphical calculators are not allowed to be used in exams/quizzes
Communication

- I am happy to take your questions via email and can usually get back to you within a day.

- I will NOT answer any quiz- and exam- related questions outside the classroom.

- Homework sets, answers, grades, supplementary materials and important announcements will be posted on UCSC Canvas.

- Graded homework assignments and quiz will be returned in class.
UC Santa Cruz is committed to creating an academic environment that supports its diverse student body. If you are a student with a disability who requires accommodations to achieve equal access in this course, please submit your Accommodation Authorization Letter from the Disability Resource Center (DRC) to me privately during my office hours or by appointment, preferably within the first two weeks of the quarter. At this time, we would also like us to discuss ways we can ensure your full participation in the course. We encourage all students who may benefit from learning more about DRC services to contact DRC by phone at 831-459-2089 or by email at drc@ucsc.edu.
