

Math 194

Senior Seminar

Summer 2022

Meetings (Online):

- Tu 06/21 10:30-11:00am, Organizational Meeting, Attendance Strongly Recommended
- No meetings thereafter

Instructor: Viktor Ginzburg

Email: ginzburg@ucsc.edu; when writing to the instructor include "senior seminar" in the email subject

Office Hours: by appointment

Coursework: A paper at least 15 page long, but not longer than 25 pages including the bibliography, on a math topic **approved by the instructor**.

Topics and the paper:

- The topic has to be approved by the instructor by email by **07/01** to make sure it is suitable. The list of suggested topics is available on Canvas, but the topic need not be from the list. Some recommendations on the choice of a topic is also posted on Canvas.
- The paper should be produced in pdf format, typed. While this is not a requirement, it is strongly recommended that you type your thesis using LaTeX. Some recommendations on how to prepare your paper and further resources are also posted on Canvas. **Papers are due on Friday, 07/22, by 5pm.**

I recommend that you discuss your topic and your paper with me several times before submitting the paper, so we can go over the material and see if changes need to be made. You should have an outline ready and see me early enough so that you have time to make necessary changes.

Enrollment questions and permission codes: The class is full and enrollment is closed.

Students with disabilities: If you qualify for accommodations because of a disability, please submit your Accommodation Authorization Letter from the Disability Resource Center (DRC) to me as soon as possible, preferably within the first two weeks of the quarter. You may contact DRC by email at drc@ucsc.edu for more information.
