ABOUT SUMMER ACADEMY

The dual mission of the Summer Session office is to support current students in timely graduation while simultaneously opening UCSC enrollment to our entire community. Our broad summer curriculum is designed for UCSC students to continue making degree progress. We also welcome high schoolers and visitors from other colleges to our world class research university.

In addition to Summer Session, our office coordinates the Summer Academies exclusively for incoming students. The Academies allow students to earn units towards graduation while building community and confidence on campus as they transition into university life.

TEXTBOOKS

Go to slugstore.ucsc.edu, click on Textbooks on the left. Summer Academy Textbooks are now available to order!

STAY ORGANIZED!

A major difference between Summer Academy and Fall/Winter/Spring Quarters is the accelerated pace. Summer classes condense the material of a 10-week course into half of that time, so expect Summer Academy to fly by.

Plan your coursework carefully, start working on assignments right away, shorter deadlines mean less time for procrastination.

DON'T MISS A CLASS!

Accelerated course loads means each class covers huge amounts of information. A lot more will be missed by skipping a class during the summer than during other quarters.

MAKE CONNECTIONS!

A benefit of Summer Academy is the relatively small class sizes, take advantage by connecting with your professors early on. Your professors understand the realities of the accelerated schedule during the summer, so emailing, calling or setting up a meeting with them outside of class for further assistance can save your grade.

The Summer Academy program consists of the courses below along with an option to select one course of your choice for a total of 7-12 units earned.

ADVANCED ACADEMIC ENGLISH ACEN 110A - 5 UNITS

INSTRUCTOR: GAIL BRENNER AND NATALYA SAMOKHINA

LOCATION: HUMANITIES 1 110

Tu/W/Th: 1PM - 2:45PM

Tu/W/Th: 3PM - 4:45PM

Students develop an academic vocabulary and successful reading strategies in English in order to understand high-level academic texts. Students also practice pronunciation and apply the rules of grammar to written and spoken academic language through weekly oral presentations and written assignments. Enrollment by instructor consent only. Enrollment restricted to international students.

NAVIGATING THE RESEARCH UNIVERSITY STEV 26-01/02 - 2 UNITS

INSTRUCTOR: BRIJ LUNINE

SECTION 01: M/W 9:30AM - 11:00AM

LOCATION: PHYSICAL SCIENCES 130

SECTION 02: Tu/Th 9:30AM - 11:00AM

GETTING AROUND

Finding a certain classroom can be difficult! This online map is a convenient way to search for classrooms, departments, and other facilities from your phone or laptop: maps.ucsc.edu

UCSC is a walking campus. Use UCSC's amazing network of paths and trails for the most direct route from place to place on campus. Walking can be much quicker than riding shuttles. Remember to bring a good pair of walking shoes with you. Campus walking maps are also available online at taps.ucsc.edu/commute-options/walking.html

Choose TAPS (Transportation and Parking Services) "loop" buses (white) to get from one place to another ON CAMPUS when walking isn't an option. No need to show your student ID on campus shuttles. Campus shuttles are free! You can use this UCSC student-created website called Slug Route (slugroute.com) to track loop buses. For the most up to date information and summer schedule, visit taps.ucsc.edu

Choose Metro buses (blue) to go to OFF-CAMPUS destinations. Have your student ID card with a current summer sticker ready to show the driver (or pay a \$2 fare if no ID). Note: Metro policy prevents drivers from allowing items over 5 feet in length (including surfboards).

CLASSES

You can find your class schedule and room locations in your **MyUCSC portal**.

For details on how to navigate your portal visit summer.ucsc.edu/fundamentals/my-ucsc.html

PARKING

During the summer **all** students are allowed to keep a car on campus with purchase of a valid parking permit. Summer Academy students can purchase parking permits for the campus remote parking lots only. Remote lots are frequently served by campus shuttles.

We strongly recommend purchasing your parking online in advance to avoid long lines. By applying online in advance, you can receive your permit by mail, eliminating the need for an in-person visit. You must submit a copy of their vehicle registration:

If you have questions about Summer Academy parking permits, email tapssales@ucsc.edu. Complete the online Summer Session parking permit application at basx2.ucsc.edu/Summer16/addrecord.php.

BIKES

YOU CAN PURCHASE:

- daily
- weekly
- monthly
- session 2

All bikes operated on the UC Santa Cruz campus must have a current California bicycle license. For a free bike license take your bike to the UCSC Recreation Dept., upstairs at the East Field House. Summer hours are posted at recreation.ucsc.edu. Phone: (831)459-2806

BIKE LOCKERS

24 "smart" bike lockers are available at six UCSC locations including Porter, OPERS, Baskin Engineering, Engineering 2, Coastal Science Campus, and the Science & Engineering Library.

These lockers are operated as part of the Bikelink network, and a fee of \$.05 per hour will be collected at the locker. The maximum rental time for any one rental period is ten days. Only a bicycle and its accessories may be stored in the locker. To purchase a BikeLink card for use of the bike lockers, register online at bikelink.org

FIXIT BIKE REPAIR STATIONS

Fixit bike repair stations include all the tools necessary to perform basic repairs and maintenance right on campus. Fixit stations are located at Baskin Engineering, Main Entrance Transit Stop, McHenry Library, Performing Arts parking lot, and OPERS.

METRO BIKE BUS RACKS

Buses are equipped with front-loading bike racks that carry three bikes at a time. Bikes are not allowed inside buses. Bikes can be loaded and unloaded at all stops. Don't forget your helmet!

ELECTRIC BIKES

Electric bikes can park at any of the campus bike racks.

BUS/BIKE TIPS:

Try to sit towards the front of the bus. You can keep an eye on your bike and get off at the front exit, so you can get to your bike quicker.

If you forget your bike on the bike rack, go to the Metro Center downtown and tell the security officer what it looks like. They'll look for it in the back.

Tell the bus driver you'll be getting your bike off the rack when you exit the bus (this can prevent bus drivers from leaving before you get your bike off!)

GETTING OFF CAMPUS

Tip:

Transit is a useful smartphone app that will give you public transportation and walking routes from point A to point B. This is an easy way to get used to bus schedules and plan routes around town.

Ride the Santa Cruz Metro buses! Showing a valid UCSC Student ID card provides students unlimited rides on Santa Cruz Metro buses. For the most up to date route information, visit scmtd.com/en/routes/schedules. Notice that the schedules vary between Summer and the rest of the school year.

The metro station is located downtown on Pacific Avenue and is the first and final destination of local bus routes. Routes 3-8 will take you around the East and West side of Santa Cruz. Routes 10-20 will take you to campus from various parts of town. Routes 69-71 will take you to the Capitola Mall and Aptos/Soquel/Watsonville area.

POPULAR ROUTES FOR GETTING OFF CAMPUS:

ROUTE 19

UCSC VIA LOWER BAY

Takes longer to reach downtown. After leaving campus, Route 19 buses travel down Bay St. all the way to West Cliff Drive (they do not turn onto Mission St.). After passing the wharf, beach, and Boardwalk area, this route continues on to downtown Santa Cruz.

Destinations along Route 19 include West Cliff Drive (scenic ocean walking/bike path), Santa Cruz Wharf, Cowell Beach, Santa Cruz Pier/Boardwalk.

ROUTE 20

UCSC VIA WESTSIDE

Longest route to downtown Santa Cruz. Transports students who live along Western Drive and in westside neighborhoods to and from campus. It is the only route that serves those areas and gets really crowded. Never take a 20D bus from campus to get to downtown Santa Cruz; 20D buses turnaround at Bay & Delaware and don't continue to downtown.

Destinations along Route 20 include: Western Drive, Natural Bridges State Beach, Long Marine Lab and the Seymour Center.

ROUTE 10

UCSC VIA HIGH ST.

Fastest, most direct route to downtown Santa Cruz.

Destinations along Route 10 include: 7/11 market (High St. & Cardiff Terrace), many local churches, The Abbey Coffee Lounge, Trader Joe's (Front St.), CVS (Front St.), and all downtown businesses.

ROUTE 16

UCSC VIA LAUREL EAST

Will get you to destinations along Mission St. (near Bay St.) and downtown.

ROUTE 66-69

Depart from Lane 4 of the metro center and drop you off right in front of Capitola Mall.

GETTING BACK TO CAMPUS:

Please be aware that buses run less frequently during the summer. The last Route 10 bus leaves the metro station at 6:50 pm M-F and 5:50 pm Sat and Sun. The last Route 16 bus leaves from downtown to campus at 11:15 pm M-F and 11 pm on Sat and Sun. This is the last Metro bus up to campus for the night.

GETTING TO THE BAY AREA AND BEYOND:

Going to San Jose? Catch the Highway 17 Express. \$7 cash to ride. Highway 17 Express buses travel between the Santa Cruz METRO bus station (downtown Santa Cruz) and the San Jose Diridon Train Station, providing connecting service to Amtrak Capitol Corridor and Coast Starlight trains, CalTrain, and VTA buses and light rail. Details at taps.ucsc.edu/airports-travel

ACCESSIBILITY

All campus transit buses are lift-equipped and accessible to disabled passengers. Contact: taps@ucsc.edu or taps.ucsc.edu
