DIRECTOR OF SUMMER SESSION
ABOUT SUMMER SESSION

The dual mission of the Summer Session office is to support current students in timely graduation while simultaneously opening UCSC enrollment to our entire community. Our broad summer curriculum is designed for UCSC students to continue making degree progress. We also welcome high schoolers and visitors from other colleges to our world-class research university. In addition to Summer Session, our office coordinates the Summer Academies exclusively for incoming students. The Academies allow students to earn units towards graduation while building community and confidence on campus as they transition into university life.

Getting to Porter College

Porter College is located within the northwest area of UCSC. Enter through UCSC’s West Entrance, located at the intersection of Empire Grade Road and Heller Drive. Proceed along Heller Drive continuing past three stop signs. Then on the left, there will be a sign for Porter College. Please note and follow move-in directional signs as you may be routed to the college from the north end of Porter-Kresge Road (by the North Remote parking lot).

1. Bring a picture ID (Driver’s License, Passport, Student ID Card) to pick up your keys.
2. You will be directed to an unloading space.
3. As we have limited parking, you will be asked to quickly unload your vehicle and then move your car.

Staff will provide you an unloading pass, which will allow you time to unload your vehicle in lots 124 and 125. You will be directed to a different parking lot in which you can park for the rest of the day. You will be able to move your car back to lots 124 or 125 after 3:30 pm if you have a parking pass for the summer and those are your designated lots.

GETTING AROUND CAMPUS

FINDING A CERTAIN CLASSROOM CAN BE DIFFICULT! THIS ONLINE MAP IS A CONVENIENT WAY TO SEARCH FOR CLASSROOMS, DEPARTMENTS, AND OTHER FACILITIES FROM YOUR PHONE OR LAPTOP: MAPS.UCSC.EDU

- UCSC is a walking campus. Use UCSC’s amazing network of paths and trails for the most direct route from place to place on campus. Walking can be much quicker than riding shuttles. Remember to bring a good pair of walking shoes with you. Campus walking maps are also available online at taps.ucsc.edu/commute-options/walking.html. If you use a wheelchair or have problems with stairs or hills, check out the ADA Compliance website to find out more about campus access, including the UCSC Wheelchair User’s Survival Guide. This guide shows the most accessible routes on campus.

- Choose TAPS (Transportation and Parking Services) “loop” buses (white) to get from one place to another ON CAMPUS when walking isn’t an option. No need to show your student ID on campus shuttles. Campus shuttles are free! You can use this UCSC student-created website called Slug Route (slugroute.com) to track loop buses. For the most up to date information and summer schedule, visit taps.ucsc.edu.

- Choose Metro buses (blue) to go to OFF-CAMPUS destinations. Have your student ID card with a current summer sticker ready to show the driver (or pay a $2 fare if no ID). Note: Metro policy prevents drivers from allowing items over 5 feet in length (including surfboards).

- The Disability Resource Center (DRC) can authorize parking and/or Disability Van Service accommodations for those who have a legitimate disability-related need for that assistance. The Disability Van Service is operated by Transportation and Parking Services (TAPS) and can provide door to door service throughout campus free of charge with authorization from the DRC. For those who have DMV handicapped placards or cannot use the Disability Van Service for disability-related reasons, parking authorizations can be obtained from the DRC. For more information on campus policy regarding disability parking, go to Disabled Parking.
CARS AND PARKING

During the summer all students are allowed to keep a car on campus, but you must have a valid parking permit in order to avoid tickets.

By applying online in advance, you can receive your permit by mail, eliminating the need for an in-person visit.

Summer Session students can purchase parking permits for the campus remote parking lots only. Remote lots are frequently served by campus shuttles. You can purchase permits: daily, weekly, monthly or by session. If you have questions about summer session parking permits email tapssales@ucsc.edu

Visit taps.ucsc.edu to apply now
GETTING OFF CAMPUS

Ride the Santa Cruz Metro buses! They’re FREE with your Student ID. Showing a valid UCSC Student ID card provides students unlimited rides on Santa Cruz Metro buses. For the most up to date route information, visit scmtd.com/en/routes/schedules. Notice that the schedules vary between Summer and the rest of the school year.

The metro station is located downtown on Pacific Avenue and is the first and final destination of local bus routes. Routes 3-8 will take you around the East and West side of Santa Cruz. Routes 10-20 will take you to campus from various parts of town. Routes 69-71 will take you to the Capitola Mall and Aptos/Soquel/Watsonville area.

Tip: Transit is a useful smartphone app that will give you public transportation and walking routes from point A to point B. This is an easy way to get used to bus schedules and plan routes around town. Download at https://transitapp.com/

A FEW POPULAR ROUTES FOR GETTING OFF CAMPUS TO EXPLORE SANTA CRUZ:

**ROUTE 10**
UCSC VIA HIGH STREET is the fastest, most direct route to downtown Santa Cruz. Destinations along the 10 include: 7/11, local churches, The Abbey Coffee Lounge, Trader Joe’s, CVS, and downtown.

**ROUTE 16**
UCSC VIA LAUREL EAST will help get you to destinations along Mission St. and downtown.

**ROUTE 19**
UCSC VIA LOWER BAY takes longer to reach downtown. After leaving campus, Route 19 buses travel down Bay St. all the way to West Cliff Drive (they do not turn onto Mission St.). After passing the wharf, beach, and Boardwalk area, this route continues on to downtown Santa Cruz. Destinations along Route 19 include West Cliff Drive (scenic ocean walking/ bike path), Santa Cruz Wharf, Cowell Beach, Santa Cruz Pier/Boardwalk.

**ROUTE 20**
UCSC VIA WESTSIDE longest route to downtown. Route 20 buses are not ideal for downtown as they take longer. Destinations along Route 20 include: Western Drive, Natural Bridges State Beach, Long Marine Lab and the Seymour Center [free with student ID with valid sticker] (0.3 mile walk from Delaware Ave/Natural Bridges stop), 2300 Delaware (a UCSC facility).

**ROUTE 66-69**
Depart from Lane 4 of the metro center and drop you off right in front of Capitola Mall.

GETTING BACK ON CAMPUS

Buses run less frequently during the summer. Although it is the shortest, the last Route 10 bus leaves the metro station at 6:50p.m. M-F and 5:50p.m. Sat and Sun so other routes must be taken to get back up to campus after that. Route 16 UCSC VIA LAUREL EAST runs the latest. The last Route 16 bus leaves from downtown to campus at 11:15pm M-F and 11p.m. on Sat and Sun. Please be aware that this is the last Metro bus up to campus for the night.
All bikes operated on the UC Santa Cruz campus must have a current California bicycle license. For a free bike license take your bike to the UCSC Recreation Department, upstairs at the East Field House.

**BIKE LOCKERS**

24 “smart” bike lockers are available at six UCSC locations including OPERS (north of building entrance), Baskin Engineering (east end of building), Engineering 2 (east end near Baskin Circle), Science & Engineering Library, Porter, Coastal Science Campus. These lockers are operated as part of the Bikelink network, and a fee of $.05 per hour will be collected at the locker. The maximum rental time for any one rental period is ten days. Only a bicycle and its accessories may be stored in the locker. To purchase a BikeLink card for use of the bike lockers, register online at bikelink.org.

**FIXIT BIKE REPAIR STATIONS**

Fixit bike repair stations include all the tools necessary to perform basic repairs and maintenance right on campus. Fixit stations are located at Baskin Engineering, Main Entrance Transit Stop, McHenry Library, Performing Arts parking lot, and OPERS.

**ELECTRIC BIKES**

Electric bikes can park at any of the campus bike racks that are located near UCSC buildings.

**METRO BUS BIKE RACKS**

Buses are equipped with front-loading bike racks that carry three bikes at a time. Bikes are not allowed inside buses. Bikes can be loaded and unloaded at all stops. Don’t forget your helmet!

**BUS/BIKE TIPS**

- Try to sit towards the front of the bus. You can keep an eye on your bike and get off at the front exit, so you can get to your bike quicker.
- It helps to tell the bus driver you’ll be getting your bike off the rack when you exit the bus (this can prevent bus drivers from leaving before you get your bike off!)
- If you forget your bike on the bike rack, go to the Metro Center downtown. There is usually a security officer there and you can tell them what your bike looks like and they’ll look for it in the back (lots of people forget about their bikes).

The Title IX Office encourages anyone to report a possible violation of the UC Policy on Sexual Violence and Sexual Harassment as soon as possible after its occurrence, in order for appropriate and timely action to be taken. Under the policy, sexual violence includes: sexual assault, dating and domestic violence, stalking, and invasions of sexual privacy. When the Title IX Office receives a report it can assist in creating safety utilizing no contact directives, accommodations (housing, transportation, academic and employment), and other interim safety measures as needed. Please note that all UC employees are required to report sexual violence and sexual harassment against a student to the Title IX Office. When the report is made by a third party, Title IX staff will reach out via email to the potential complainant to inform he/she/them of their reporting options and the resources and safety measures that are available.
