

2020 REMOTE SUMMER SESSION IN NUMBERS

In an unprecedented year, our office, in collaboration with faculty and staff across the university, shifted over 350 courses and our early start Summer Edge programs to remote learning. The shift resulted in a record number of students both continuing degree progress, as well as jump-starting their UCSC academic careers despite the global pandemic.

78,838 total credits taken

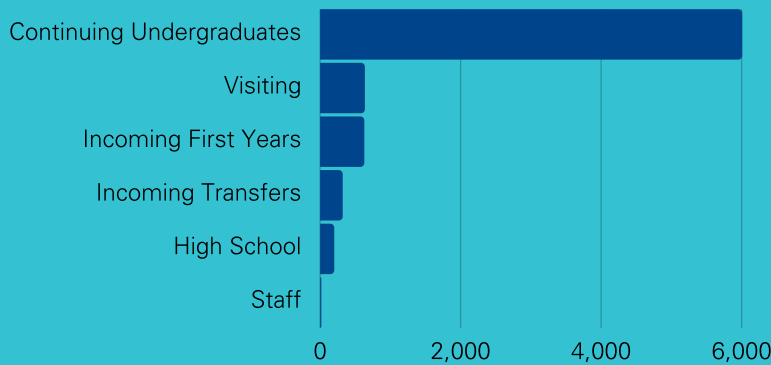

Ambitious Summer Award

Students who completed 15 credits or more and received a \$680 award.

The average ambitious summer student GPA was **3.3** up from 3.14 in 2019.
