

# UC SANTA CRUZ EXPERIENCE COLLEGE THIS SUMMER

→ A combination of support and independence to model a true college experience for five weeks.

# High School Summer

We offer online and in-person courses for UC credit you can transfer to a future college or university.

Our five-week in-person program includes accelerated courses for full academic credit and 50% off per credit summer tuition. Peer Mentors offer strong support and social activities to students who come live on campus in residence halls or commute from home.

# BENEFITS

## Get a head start on academics

The credits you earn will transfer to your intended college or university and often back to high school.

## Save money

High school students get an exclusive 50% off of the per credit summer tuition rate.

## Make new friends

Our fun events will connect you to the community, from game nights to hikes.

## Experience College

Immerse yourself in a university environment and get firsthand experience to help you make decisions about your future academic plans.

# Summer Success Stories

## **Kelly Coutinho**

Calculus for Science,  
Engineering, & Mathematics

*"Through this program, I was able to put myself in a class full of college students and learn things the way I wanted to with the many resources that were available to me."*

## **Andrew Shyffer**

Personal Finance and  
Investing

*"High School Summer Online was thoroughly enjoyable. The ability to decide when and where to take the lessons was liberating."*

## **Alexa Sumitra**

U.S. and the World Economy

*"I was challenged, but it paid off because my writing has significantly improved. I developed college readiness skills such as time management and how to annotate text."*
