High School - Summer Session 2, 8-Wk, 10-Wk Student & Parent Checklist

If you choose not to attend High School Summer University during Summer Session 1 or High School Summer ONLINE, you can still take a Session 2, 8-wk or 10-wk class at UC Santa Cruz through Summer Session. This is not a supported high school program. You have the option to live on-campus or commute along with current and visiting college and university students. We encourage you to call or email our office at any point with questions or concerns.

GETTING STARTED

- Register at https://summer.ucsc.edu/high-school/high-school-registration.html open April 1 - June 1.

- Pay the nonrefundable $50 registration fee. Once submitted, it can 3-5 days to process your registration.

- Submit your completed Verification Form (final due date June 5). We understand that many schools are currently learning remotely; therefore, we can accept a digital seal, or we can accept the form without a seal if emailed to us directly from a counselor or principal at your school.

- Due to the recent Suspension of Routine Visa Services, we regretfully cannot accept visiting international students who need an F1 or J1 Visa this summer. If, however, you’d like to take a UC Santa Cruz course, you can register to take High School Summer ONLINE.

- If you attended in the past, you must register again to get your accounts set up for summer.

Until you complete these steps, you cannot enroll in courses.

ENROLLING IN CLASS

- Review the list of UCSC courses compiled by our academic advisers as ideal for high school students. Some additional courses may be appropriate but require pre-approval.

- All courses are credit bearing; the grades you earn will be on your permanent record.

- Enroll in a class. May 1 - June 8.
  The system will allow a student to add a class later than June 8, but to be eligible for the 50% high school discount, you must be enrolled by our deadline. We will communicate with students based on their June 8 enrollment. If you make changes after this date, you must email us.
