Transfer Edge Student & Parent Checklist

Open to UC Santa Cruz incoming students, Transfer Edge is an early start program that takes place during Summer Session 2 and the week preceding it. You attend classes and have the option to live in the residence hall with peer mentors. This checklist will help guide you. Please call or email our office with questions.

GETTING STARTED

- Submit your admissions SIR (Statement of Intent to Register)
- Register at https://summer.ucsc.edu/summer-edge/transfer-edge/transfer-registration.html, indicate you will be attending Transfer Edge. Registration is open April 1 - June 15
- Pay the non-refundable $100 registration fee. It can take 3-5 days to set up your accounts and activate your portal, enrollment, billing, and more for this summer.
- If you are coming from outside of the United States, and need to obtain an F-1 or J-1 student visa, email istudent@ucsc.edu to let us know. May 31 is the deadline to submit Visa documents.

ENROLL IN CLASSES

Once your registration process is complete, you can enroll. In Edge, you cannot take Session 1, 8wk, or 10wk classes. https://summer.ucsc.edu/summer-edge/transfer-edge/transfer-enrollment.html

- Enroll in the required 2-credit Successful Transfer to the Research University (KRSG 25 - there are lots of sections to choose from). This course enables your 25% summer tuition discount.
- Enroll in a 5-credit class of your choice. See our website for recommendations from academic advisers.
- You can take more than 7 credits, but we recommend 7 - it is a lot of work in five accelerated weeks and these courses go on your permanent academic record. (Psych majors will take 9 credits)
- Tuition does not appear immediately, it can take a few days to post in your portal.

FINANCIAL AID

To assist with costs, the Financial Aid Office offers up to $2,800 in grant funding based on need as determined by the FAFSA (or Dream Application if applicable). International students are not eligible for aid.

- A 2019-2020 FAFSA (from last year) is needed for new students to receive financial aid for this summer quarter. This is in addition to the 2020-2021 FAFSA you file for the upcoming year. If you applied for financial aid at a prior institution for 2019-2020, make a correction to this FAFSA and include UC Santa Cruz School Code 001321. https://financialaid.ucsc.edu/cost-to-attend/summer-edge.html
- You must first be enrolled in your classes to get your Financial Aid estimate and package.
