Transfer Edge (Remote) Student & Parent Checklist

Open to UC Santa Cruz incoming students, Transfer Edge is a remote early start remote learning program that takes place during Summer Session 2. This checklist will help guide you. Please email our office with questions.

GETTING STARTED

- Submit your admissions SIR (Statement of Intent to Register)
- Register at https://summer.ucsc.edu/summer-edge/transfer-edge/transfer-registration.html, indicate you will be participating in Transfer Edge (offered remotely this summer).
- Pay the non-refundable $100 registration fee. Once submitted, it takes 3-5 days to set up your accounts and activate your portal, enrollment, billing, and more for this summer.

ENROLL IN CLASSES

Once your registration process is complete, you can enroll. https://summer.ucsc.edu/summer-edge/transfer-edge/transfer-enrollment.html

- Enroll in the required 2-credit Successful Transfer to the Research University (KRSG 25 - there are lots of sections to choose from). This course enables your 25% summer tuition discount.
- Enroll in a Session 2, 5-credit class of your choice. See our website for recommendations from academic advisers.
- During Session 2, you take a minimum of two courses for a total of 7 credits (Psych majors will take 9 credits). You can also add additional credits by taking a Session 1, 8-week, or 10-week course. As long as you remain enrolled in KRSG 25, you will receive 25% off tuition.
- If a course Day/Time is blank, it means that there are no set days/times. Students can often complete the remote portions of the course (readings, lectures, and quizzes) at any time. When days and times are listed, students are expected to attend class remotely. All times PST. Class locations are blank for remote courses.
- Keep in mind that these are condensed, five-week classes with demanding schedules, so prioritize your time wisely. Note, tuition is charged per credit, so additional classes mean additional tuition (and, if eligible, additional financial aid).
FINANCIAL AID

To assist with costs, the Financial Aid Office offers up to $2,800 in grant funding for 7-credits based on need as determined by the FAFSA (or Dream Application if applicable). Additional aid may be available if you take an optional third course. International students are not eligible for aid.

In order to receive financial aid for the Summer Edge, you must:

- Complete a 2019-2020 FAFSA or Dream Application by June 27. This is in addition to the 2020-2021 FAFSA or Dream Application you must file for the upcoming school year.
- If you applied for financial aid at a prior institution for 2019-2020, make a correction to this FAFSA or Dream Application and include UC Santa Cruz School Code 001321.
- Students selected for verification, must submit the required documents to receive financial aid.
- Summer Edge is a 7 credit minimum program. You must enroll and complete all courses to maintain aid eligibility. [https://financialaid.ucsc.edu/cost-to-attend/summer-edge.html](https://financialaid.ucsc.edu/cost-to-attend/summer-edge.html)
- Receiving Edge funding does not decrease your four-year aid eligibility.

FINANCIAL AID ESTIMATES FOR SUMMER EDGE

- The [Summer Edge Grant Calculator](https://www.ucsc.edu/financialaid/summer-edge.html) tool is a fast and easy way to receive your grant aid estimate. The Financial Aid Office encourages you to complete your 2019-20 financial aid application first and use the expected family contribution (EFC) from this application to get an estimate. You can also use the EFC determined by your 2020-21 financial aid application. This calculator generates an estimate based on the information you provide. If the information you provide is incorrect, your estimate may differ significantly from the final awards offered. All estimates are subject to the availability of funding.

ACCEPT OR WAIVE UC STUDENT HEALTH INSURANCE PLAN (UC SHIP)

The University of California Regents mandate that all students be covered by a health insurance plan. Because having an insurance plan is required, all full- and part-time undergraduate and graduate students are automatically enrolled in and charged for the University of California Student Health Insurance Plan (UC SHIP) unless they submit an online insurance waiver confirming they have acceptable health insurance coverage.

- The deadline to waive UC SHIP for summer is July 20.

- Visit the [UCSC Student Health Insurance website](https://www.studenthealth.ucsc.edu/insurance) or email insure@ucsc.edu for waiver information and expanded rates.
PAYMENT

- Tuition does not appear immediately, it takes a few days to post in your portal. You can start paying any time after charges post to your MyUCSC account. If your account says "Future," it is likely because you enrolled between billing statements, and will have to wait until the next billing statement to pay (there is no penalty for this). Final payments are due by August 13.

- Payments can be made by students at: My UCSC> My Account $ > UCSC eBill/ePay

- You can pay via credit card or eCheck in your portal or by mail to the SBS Service Center. Details at https://summer.ucsc.edu/tuition-aid/payment-refund.html

- To authorize a Parent/Other payers who can then view a student eBill/make payments, invite an "other payer/create parent pin" at My UCSC > UCSC eBill/ePay.

ACADEMIC DEADLINES

- Make note of the academic deadlines on our calendar to add, drop, request a W in one course, withdraw from the quarter, or change a grade option. Don't miss a deadline! https://summer.ucsc.edu/studentlife/index.html

Cancellation

- If you register and then decide you won't be coming, email your request to transferedge@ucsc.edu, and we will cancel your registration (the $100 registration fee is non-refundable).

- If you enrolled in any summer courses, you must drop them yourself in your student portal. Instructors do not drop you for not attending or not paying. If you stay enrolled, you will be responsible for the tuition and academic consequences, i.e., you will receive an F.

- Financial Aid: If you received Financial Aid, once you cancel, that aid will no longer be available to you.
